# Superior Eco 6

This is a pool designed for modern day sections.

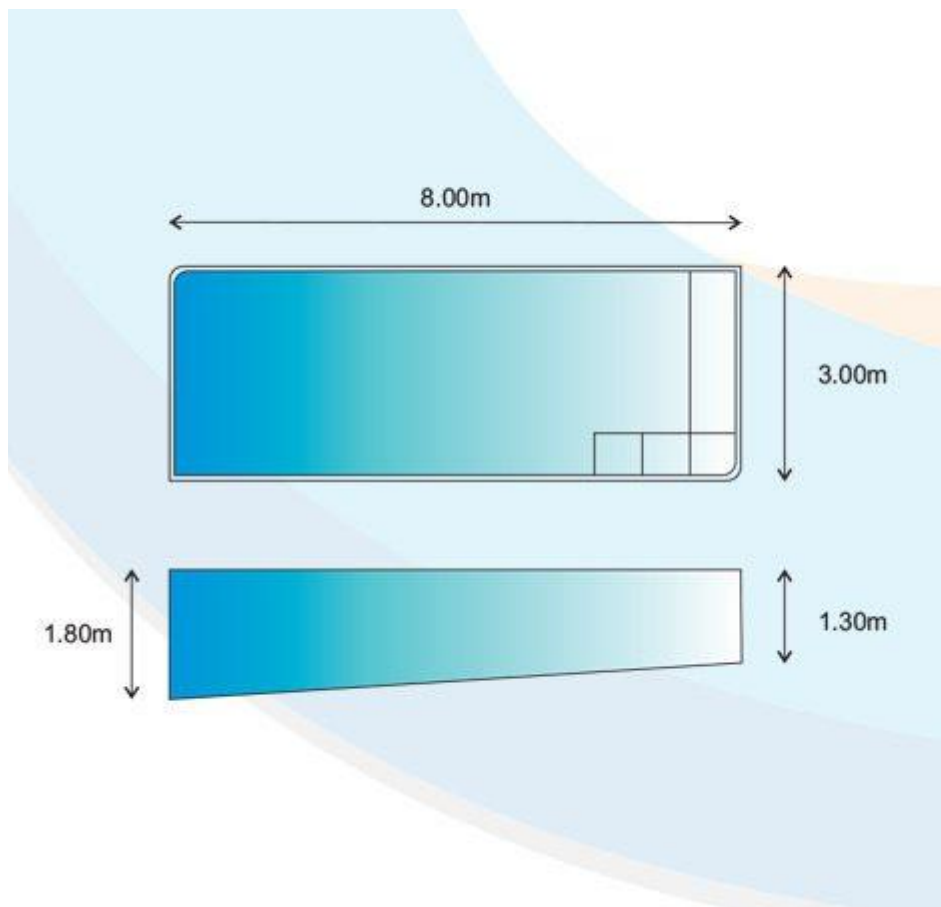

As land becomes a premium, section sizes are getting smaller and smaller. We designed this elegant swimming pool with you in mind. We have trimmed back on size but not on functionality, we have kept to modern stylish lines and have had long summer days in mind with this pool. This pool design is for family entertainment and relaxation.

- Geometrical shape to suit all landscape designs.
- Large corner entry steps.
- Wide bench seat for safety and relaxing.
- Gradual Depth for fun, games, learning to swim and wading.
- Safety Toe Rail.

6.5M x 3.0M x 1.8M 22,000 Litres.

# Superior Eco 8

The Superior Eco 8 is perfect for that growing family

This pool with a slim design is designed to fit unobtrusively into your landscape. At 1.5M longer than the Superior Eco 6 the Superior Eco 8 is perfect for that growing family. Again this pool is designed for where space is at a premium, but you still enjoy the feeling of a larger pool. Whether it be sitting back and relaxing on the bench seat, family games or swimming this pool has it all.

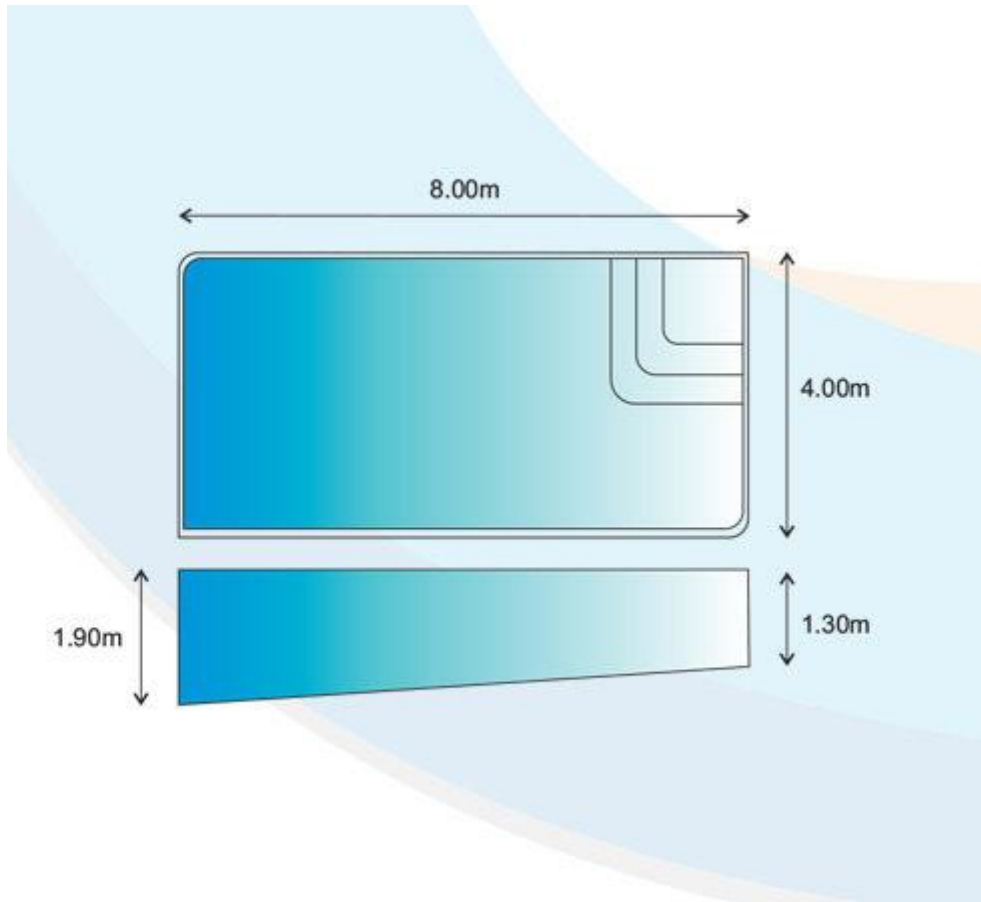

- Large corner entry steps.
- Wide bench seats for safety and relaxing.
- Gradual depth for fun, games, wading.
- Safety toe rail.
- Non slip surfaces.

8.0M x 3.0M x 1.8M 36,000 Litres.

# Superior 8

This is your classic sized family pool. One of the most popular swimming pool sizes in the New Zealand market.

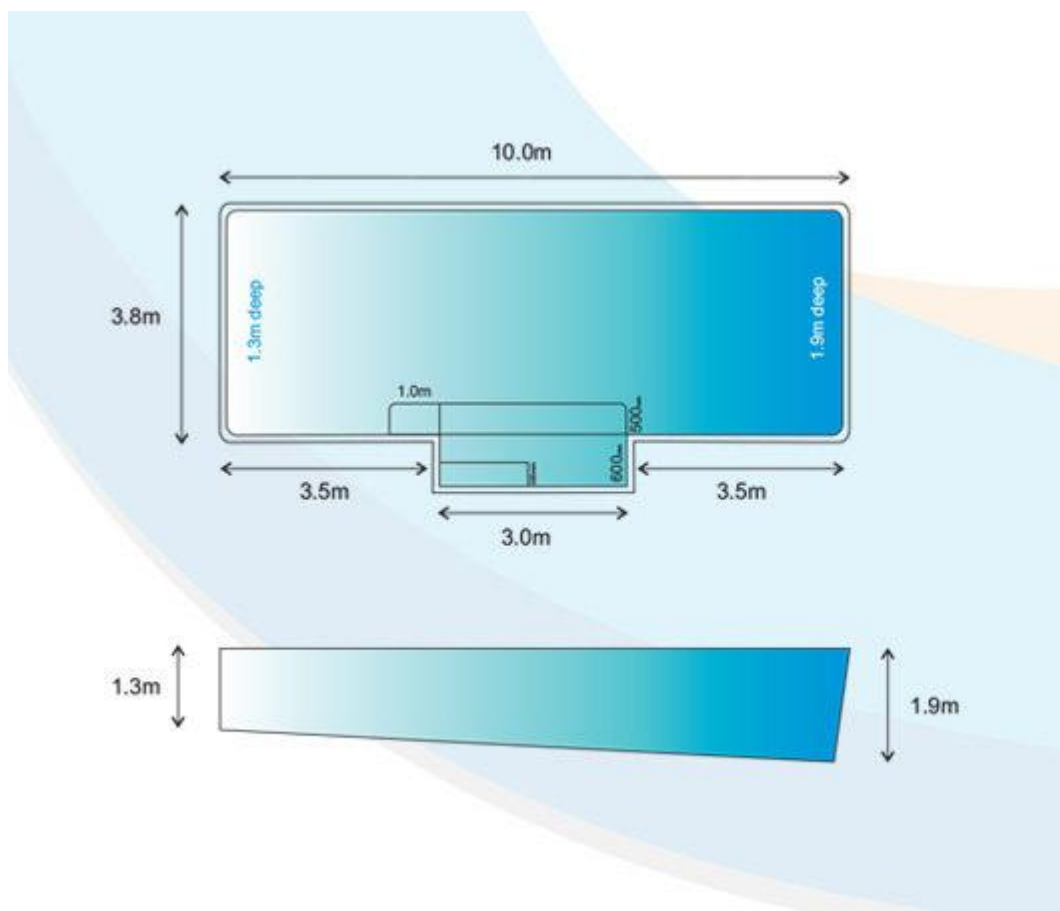

The Superior 8 is the perfect pool for your family's own personal oasis. Enjoy your summer time around the Superior 8 swimming, splashing, diving and having fun.

- Uninterrupted swim lane.
- Large entry steps, also function as seating.
- Gradual depth for fun, games, wading.
- Safety toe rail
- Non slip steps and Floor

# Superior 10

The Superior 10 has been designed with elegant formal straight lines. This design will fit into all landscapes with this geometrical shape.

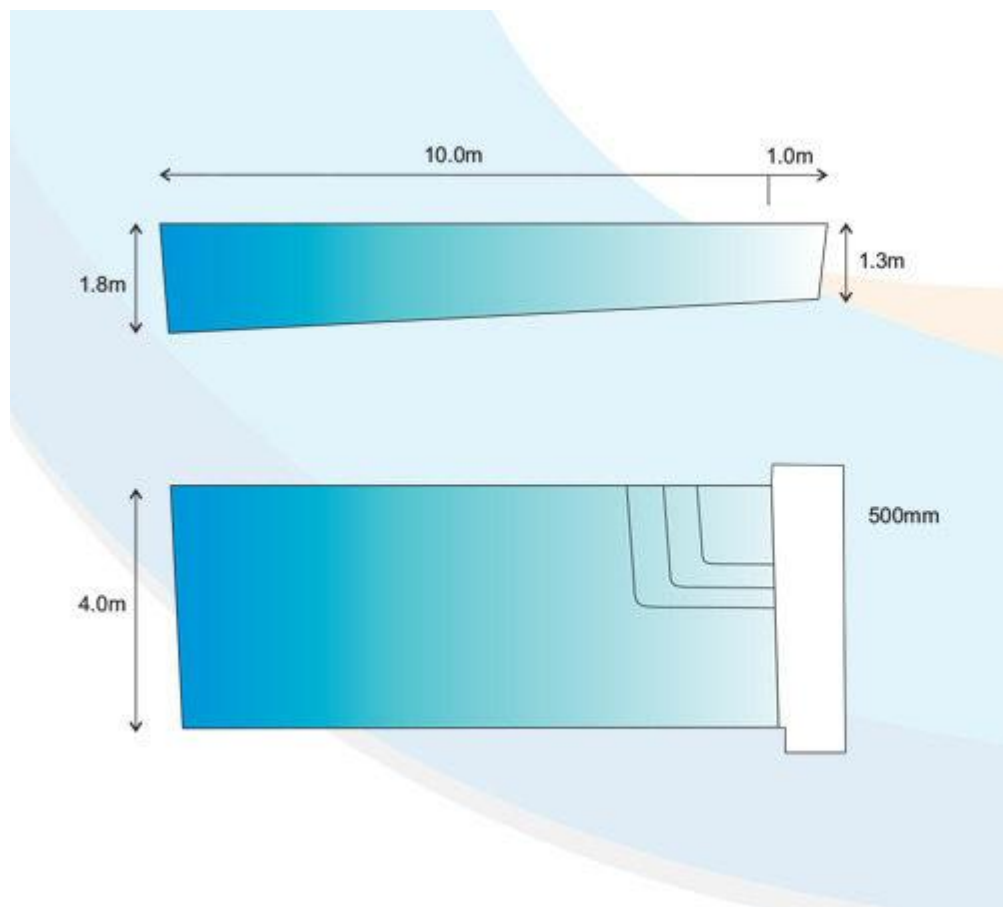

The Superior 10 features a large central point entry with extended bench seating.

- Large central entry steps and bench seating.
- Uninterrupted swimming lane
- Safety toe rail right around the pool edge.
- Non slip Steps, bench and floor.
- Modern clean and crisp design lines that will suit all landscapes.

10m x 4.4M x 1.9M 55,000 Litres.

# Superior 11

The Superior 11 is a timeless swimming pool design that we have modernised with the addition of a cover pit.

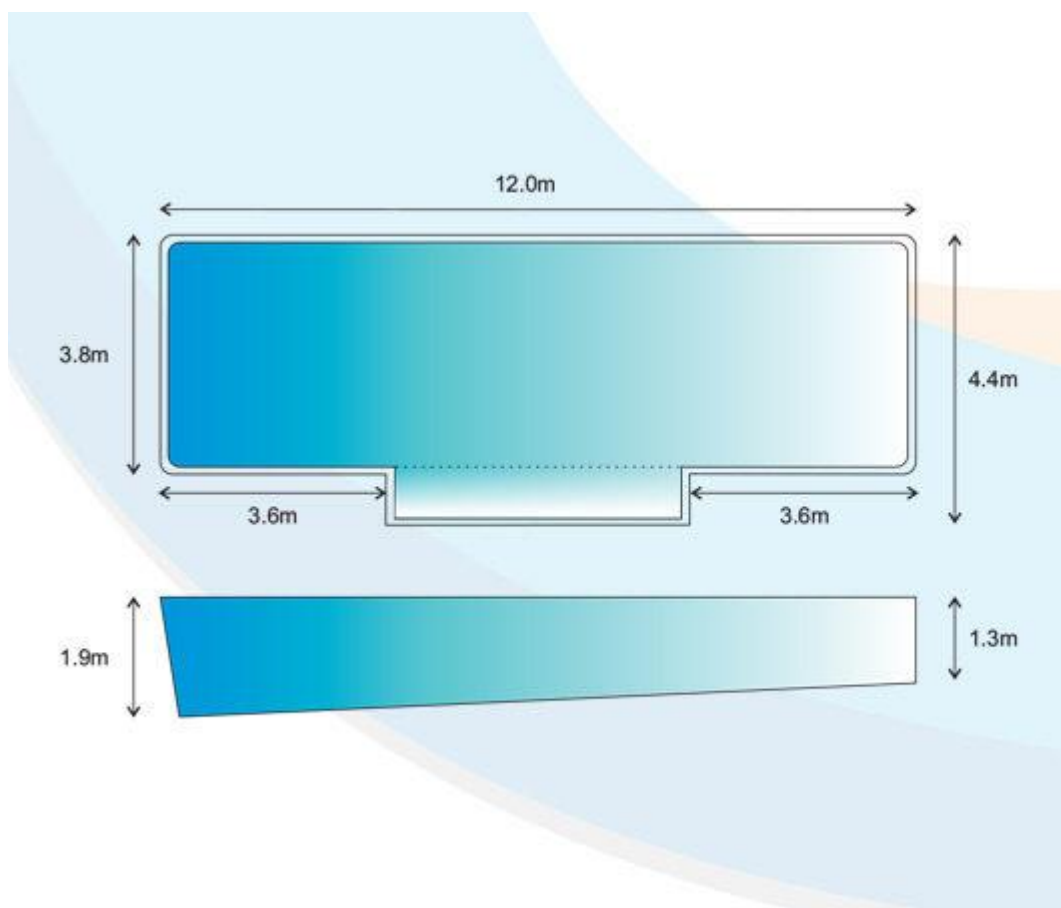

The Superior 11 features 10M in swimming pool size with large entry steps to the shallow end. The also features a safety edge for the floating cover, this means should someone stand on the cover it will not sink. It also reduces having to drill holes in your fibreglass swimming pool to install one. Our customers can enjoy greatly reduced running costs and peace of mind with the cutting edge design of the Superior 11.

- Automatic Cover Ready with Cover Pit.
- Fully Safety Rail for Floating Cover built in, increasing safety and reducing costs.
- Timeless and Elegant Pool design
- Safety Toe Rail around perimeter of the pool.
- Greatly Reduced Heating and Running costs.

10m x 4.0m x 1.8M with Automatic Cover Pit Roller 60,000 Litres.

# Superior 12

The largest in the range the Superior 12 has it all.

The Superior 12 feature formal elegant design lines. The superior 12 will fit into even the largest of open spaces without feeling lost. Generous side entry steps and full bench that runs back to the shallow end. This pool not only provides lots of room for playing and fun, but gives somewhere for the younger in the family to enjoy themselves as well.

- Large Bench back to deep end for safety and fun.
- 12M uninterrupted swim lane
- Modern geometrical design that will suit all landscapes
- Large Entry Steps centrally located.
- Gradual Depth giving more room for fun, wading and games.

12M x 4.4M x 1.9M 66,000 Litres.
